Tour Description

Kailash Mansarovar yatra by overland start from kathmandu, you will travel by road throughout the journey.

Mount Kailash isn't only a mountain, it is a symbol of belief & faith among four religions: Hinduism, Buddhism, Jainism & Bon. The mountain lies near lake Manasarovar and lake Rakshastal. It is the source of four major holy rivers in Asia: the Indus, Sutlej, Brahmaputra and Karnali. People who aren't able to perform a holy bath at Lake Manasarovar go into above rivers with the same belief and faith.

Mansarovar is another holy place which lies north of Mt. Kailash. Like Mt. Kailash also has its own religious value among some religions. They have their own beliefs and faith about Kailash Mansarovar Yatra as per their devotional texts.
